I hereby authorize LocalTel Communications or its agents to install fiber-optic on my property. I recognize that the installation of the fiber-optic equipment includes the placement of a communications box and any necessary mounting equipment on the outside of the home, usually near to the existing meter. My signature below authorizes my tenant to receive services but does not obligate me to any charges. I understand that the communication service will be subject to the Rules and Regulations of the local PUD set forth in the Customer Service Policies as adopted by the district. I specifically grant right of access to the District for the purpose of operation and maintenance of District fiber installations on my property and further agree to permit trimming of trees if necessary to clear right of way for installation or maintenance Of overhead fiber lines.

I also authorize LocalTel Communications or its agents to install telecommunication wiring as needed to establish service. This may included but not be limited to the drilling of a hole or holes from the outside to the inside of the building or crawlspace, stapling wire to exterior and/or interior walls or baseboards, mounting of jack box or boxes as necessary. My signature below authorizes LocalTel or its agents to run these needed wires & boxes but does not obligate me to any charges.
